TALENT SHOW

Show off your hidden talents at the CH Prep annual Talent Show! This year's event will be held on March 23rd in Wrigley Hall. See you there!

STEM FAIR

Ms. Zuniga and Ms. Gruschow are planning a STEM Fair for Thursday, March 22. The project will include writing a project proposal, creating an online model, building a real-life model using recyclable materials, and a creating a presentation about their work. Their invention will have to solve some sort of real-life problem that they are interested in. How exciting to see what students come up with.

QUOTE OF THE MONTH

The purpose of education is to replace an empty mind with an open one.

FAMILY MEETING

On February 21st we hosted the 2nd Family Meeting of SY 17-18. Parents were updated on a variety of topics- school policies and procedures, budget priorities, student progress, upcoming events. Afterwards they were encouraged to ask questions and provide feedback.

Feedback was productive and overall positive: families were most satisfied with the frequent home contact regarding their student and they most recommended the incorporation of more physical activities.

Parents were then invited to see showcased student work and the family resource table.
